

## GLOGSTER BOOK PROJECT FOR "CLASSICS" GENRE

This project will be done by ALL students during class time, between these dates \_\_\_\_\_. We will be using school laptops.

DUE DATE: on or before this date: \_\_\_\_\_.

Be ready to share this with teachers and peers by the end of the day.

The main point of the assignment is for you to choose the THEME of the book. What is the main point or underlying message? Think of concepts like FRIENDSHIP, COOPERATION, TRUST or maybe the book you read might have THEMES that are sad, like MISTRUST, MISTREATMENT, CRUELTY.

To get on glogster:

Go to [www.edu.glogster.com](http://www.edu.glogster.com)

Sign on as: \_\_\_\_\_

nickname: \_\_\_\_\_

password: \_\_\_\_\_

### GUIDELINES:

Begin by using one of the main boxes on *Glogster* to share the THEME and add the other requirements around that.

- needs to be done on a Classic book that you have finished reading
- needs to have graphic representation of the theme(s) of the book
- needs to have your voice (podcast) of a passage from the book that supports the theme that you have chosen.
- needs to include a written summary (with words and images) of the general plot of the book.
- needs to have ONE additional graphic representation of other aspects of the book - time of setting/place of setting/characters/their actions

BE SURE THAT THE GRAPHICS/IMAGES YOU USE ARE NOT "PRE-MADE" - for example, don't go to a website and print out a pre-made cover, video, etc.. on the book. Find a picture, etc.. that fits "your" image of what you read.

Be sure to SAVE your project with your first name and classics.
