

Writers workshop: GoAnimate
(paid subscription: <https://goanimate4schools.com/>)

General:

Teach: central idea complete sentences and logical sequence

Grammar: adjectives (describe)

nouns (Subject - person, place or thing)

Project: (Children to work in pairs.)

Read several different children's books ... Select one for this project. Rewrite the story in your own words, emphasizing all of the above. Edit with the teacher. From the rewritten story draft a script and characters. Characters should vary slightly from the book's original storyline. Scenes and props may vary also. Then, log into *GoAnimate* and begin your video, creating characters, adding backgrounds, scenes in motion time allows. You may use the 'stock' characters and other things within *GoAnimate* and you may also edit these characters to better match your new storyline.
